

## **INVESTMENT OPPORTUNITIES!!!**

This year Elite Dressage is planning on opening a 5\* European Dressage Academy.

### THE IDEA

To establish a Dressage Livery Yard as a centre of excellence for education, livery, and equitation training, with quality horses for sale. We will provide a high quality, professional service and elite livery for horse owners.

### THE BUSINESS

Services to offer: -

- Training livery for horse and rider
- Full livery
- Lessons for external and internal livers
- Short courses for adults and children in both theory and riding offering accommodation
- A small number of horses for sale
- Sponsored groom apprenticeships and certificated courses
- Equine therapy for abused children (PETSAs)

Pony Club Rallies, Clinics etc will all be available.

### OBJECTIVES

- To provide a service of innate professionalism and excellence through first class stable management for the horses and customer care for the clientele.
- To create a secure and trustworthy reputation within the community and, eventually, nationally.
- To create enough capital to invest in quality, talented horses on which I can compete and represent my country.
- To create a new and exciting prospect which appeals to all ages.
- To create a safe, fun environment where children can improve their equestrian skills and knowledge.
- To create a social environment in which people enjoy being an active part of the business.
- To attract sponsors who will invest in the business and in individual horses for the purpose of competition and re-sale.

If you would like to own a part of this business and reap the benefits both financially and socially-
